SUZANOBAGIMD™ Physical Defense Sunscreens

5-Way Ray Defense

SUZANOBAGIMD Physical Defense Sunscreens are uniquely formulated with mineral sunscreen agents fortified with antioxidants to offset free radicals and oxidative stress in skin. Both mineral-based sunscreens provide advanced UVA and UVB protection while antioxidants defend against HEV, VIS, and IR rays as well as free radicals for lightweight, residue-free coverage. They are formulated without chemical sunscreen agents, parabens, synthetic fragrances, or dyes!

DIRECTIONS/USAGE

- Apply SUZANOBAGIMD sunscreens generously as a last step in your skin care regimen – every day!
- For maximum protection, apply 30 minutes before going outside and reapply every 2 hours or as frequently as needed
